

Secretary's Report

The February meeting of the Wellesley Amateur Radio Society was held in its regular location on Monday, February 1st at 7:30 PM. 19 dues paying members and guests were present. President Brad KLCTK was moderator. The meeting began with a short quiz on radio theory with each member figuring out the appropriate answer. ~~XXXXXXXXXXXX~~

The President then introduced our guest speaker Nathan Hallenstein, Chief Engineer FCC Boston who told us about the problems the FCC faces with Commercial, Citizens Band and Ham interference. He also told us about how the FCC checks radio equipment on every ship landing in the US. Many questions were asked.

The formal meeting was then adjourned and refreshments were served.

Respectfully submitted

Walt Lenk
Secretary
